

JANE ADDAMS TO BE HERE ON MARCH 9 FOR A BIG RALLY ON MARCH 11 UNDER AUSPICES OF EQUAL FRANCHISE LEAGUE; TO TALK ON FOOD

By DOROTHY B. JOHNSTON.

THE coming of Jane Addams to El Paso is assured. Mrs. Ernest A. Young, president of the Equal Franchise League, and niece of the renowned publicist and settlement worker, has received definite information to expect her on Saturday, March 9. The distinguished woman will be in the city until the 12th, and a mass meeting is now being arranged for her, for Monday, the 11th. Miss Addams is touring the country in the interest of national food conservation and her one public appearance here will be under the auspices of the Franchise League.

Most every woman's organization in the city has asked for Miss Addams to speak during her stay, but it is unlikely that she will accept any other invitation than that of honor guest at the University club tea for Sunday afternoon, March 10. She is not in the best of health and has written Mrs. Young to see that she has no more than two public "bookings." She will be the house guest of Mr. and Mrs. Young at their home, 2700 Cooper. The Youngs spent their honeymoon days at Hull House, Chicago, in charge of the boys' dormitory at the big settlement, both having been ardent devotees of the big humanitarian work for many years.

The Equal Franchise League decided at its meeting Thursday afternoon in the chamber of commerce, to work

for women on the school board at the coming municipal election. There will be three vacancies. Just how many will be placed in nomination remains to be decided, at a meeting called for the near future by the committee that will have charge.

The league accepted an invitation from the Y. W. board, to meet in the handsome new building of the latter, in future, quarters being offered gratis. The meeting took a patriotic turn when Mrs. O. A. Critchett, past president, read extracts from the speeches of George Washington, in place of the usual civic lesson. Mrs. S. J. Fennell conducted a short parliamentary drill.

The league is to have a special program for March 7, in charge of Mrs. Georgia Ferguson, who will present the crux of the "Doll House" as a point in woman's emancipation, seen by a great dramatist. Special music is being provided. An admission will be charged, the money to be used in purchasing a dozen chairs as the organization's contribution to the Soldiers' club, on North Stanton street.

At a called business meeting of the Housewives' league, in Morehead school auditorium Thursday, Mrs. R. Tighe named for the nominating committee Mrs. W. E. Tilton, Mrs. Carl Lee Smith, Mrs. Margaret Olive Jordan, Mrs. Martin Zielonka, Mrs. C. A. Brown, Mrs. O. A. Critchett and Mrs. Joseph Nealon. The organization continues to wage a membership campaign, and will center its forces on a lively drive, to start next month. Captains are to be appointed and teams formed. Some changes are to be made in the by-laws, the revision coming up for general discussion at the next meeting.

Red Cross Supplies Are Distributed at Fort Bliss to the 18th Artillery

A HUGE consignment of knitted garments—the largest ever given out in the southwestern division, and including almost 1200 sweaters, 1200 helmets, 1200 wristlets, 2400 pairs of socks, and other warm articles—sent by Stanley Stoner, of St. Louis central headquarters, to the El Paso Red Cross for distribution—were given out to the 18th field artillery, Fort Bliss, on Thursday afternoon.

El Paso sends its garments to St. Louis, en route to the European battlefields, and gets its supply of materials from the same base. The big lot of wool articles is to be given the soldiers as part of their equipment for active service abroad.

The local Red Cross officials, including Dr. W. L. Brown, president; Dr. H. B. Stoner, treasurer; Mrs. E. R. Jenkins, secretary; Miss Naomi Keller, auditor; Mrs. Horace W. Broadhead, director of women's service department; or the "work shop," Mrs. J. F. Williams, sewing chairman; Mrs. W. W. Turner, assistant chairman of nursing; Mrs. Bruce Smith, chairman of surgical dressings; Mrs. E. C. Berry, chairman of the refreshment unit; Mrs. C. E. Kelly, assistant chairman of knitting; Mrs. A. P. Coles, Mrs. E. M. Bell, Mrs. W. D. Wise, Mrs. W. R. Stark, Mrs. W. G. Dunn, Mrs. W. L. Latta, Mrs. J. J. P. Smith, Mrs. J. L. Ely, Mrs. W. G. Dunn and many others prominently identified in Red Cross work were present when the consignment was handed over to Col. O. W. B. Farr, military head, who received it. One of the artillery bands played during the presentation ceremony, and a "movie" concern was on hand to take a picture of the scene.

Orders have come that no more helmets are to be made, use for them having been minimized since the gas protectors, now being furnished in large lots by the government, have a cape attachment that takes the place of the head protectors. "Do not make the unit," Mrs. E. C. Berry, said. "The army is issuing to every man who goes to the front line trenches a special kind of trench cap, which is only cap they are allowed to wear."

and its under the steel helmet and is attached to it by some rings and fastenings, the idea being, when necessity arises, it will come off with one movement, when the metal helmet is taken off." A picture of one of these caps is shown in today's Herald, on Lieut. Frank Scotten.

Of knitted things, wristlets, socks and sweaters are wanted most. The sleeveless sweater is the only one permitted to be worn at present, however, except by soldiers off duty around camp. The old issue of sweaters is not permitted to be worn down town these days. The sleeveless sweater can be worn beneath the blouse, however, and is permitted.

It is suggested that the Juniors be allowed to make clothing for the refugees babies. The article most in demand in the layette is the diaper cloth, but more important than the layette is the clothing for the children from one to three years of age. If there is an infectious or contagious disease in a home, workers should remain away from the work room.

The demand for trained nurses will surely exceed the supply for many years to come—this is the last word from central headquarters.

For the Red Cross luncheon, to be served at the former location of the Oriental tea room on North Oregon street, every day next week, Mr. and Mrs. Frank Hlavacek will furnish violin and piano music. Miss Florence Klein is in charge of decorations, assisted by Miss Marie Schwartz and Miss Ruth Moore Morris. Mrs. E. C. Berry, general chairman of the refreshment or canteen unit, is in charge and Sergt. Mrs. D. R. Wilkes will have supervision of the busy place Monday, being assisted by Corp. Mrs. P. Robertson and her unit, including Mrs. Robert Harrington, Mrs. J. B. Knight, Mrs. John McCabe, Mrs. L. E. Smith, Mrs. G. Roberts, Mrs. Zora Coggins, Miss Gladys Coggins, Miss Esther Herrington, Corp. Mrs. M. C. Carter and her unit, Mesdames P. M. Towner, F. W. Williams, B. C. Brattson, D. A. Wright, Alice Grambling, A. F. Fraser, Mrs. Masters, Misses E. Earl Douglas and Alma McCrummen.

New Mexico Man Weds Niece of Two Prominent Families in El Paso

ONE of the events of the present season took place Thursday evening, when Stanley Gust Galsch, son of senator and Mrs. Albert Galsch, of Montoya, N. M., won a charming bride in the person of Miss Erna Freudenberg, niece of Mr. and Mrs. Ed. Sanders, of 1025 Union avenue, and Mr. and Mrs. Edwin Wisburn, 1425 Hawthorne place, this city.

The wedding ceremony was performed by rabbi Martin Zielonka, at the hour of 5, at the Sanders home, the officiating clergyman possessing a particularly happy, inimitable manner of conducting the service.

Following the service, the guests, who numbered some 50 members of the family, repaired to the Hotel Paso del Norte, where a wedding feast was served. Interpreting the courses, Miss Edith Lillian Wisburn, David and Reginald Sanders and Rudolph Wisburn, oratory and many congratulatory speeches were enjoyed. All the feminine guests were noticeably handsome, toilettes, but it was upon the bride that eyes were turned. Gowned in a creation of white lace and net, resplendent in jewelry, she was more than attractive in her wedding gown.

Among the many entertaining features of the evening was the singing of Miss Martha Guleke and Mr. and Mrs. Joseph M. Evans. Following dinner, dancing continued until the wee sma' hours, long after the newlyweds made their departure for "somewhere in the United States," the destination of their honeymoon having been kept a secret. They will make their home in Montoya, where the bride's relatives are located.

Mrs. Hannah Bousen Kohn, of Tucuman, N. M., came to serve the bride as matron of honor. Miss Lillian Wisburn and Miss Hilma A. Hess acting as bridesmaids, and Howard L. Kohn of Montoya acting as best man. Guests from out of the city were Mrs. Dan Stern, Mrs. Sig. Nahn and Miss Helen Nahn, Mrs. M. C. Carter, Mrs. H. B. Jones, of Tucuman, and Lieut. Lowenberg, of Columbus, in addition to the groom's family.

Mrs. Florida Lightbourn makes formal announcement of the marriage of her daughter, Clara, to Lieut. Albert Carter. News of this interesting marriage came to the Herald this morning to the bride's sister, Mrs. P. L. Brown, of 2900 Tularosa, the only informant being that the wedding was celebrated in San Francisco yesterday (Thursday) at 5:30 o'clock. Mrs. Lightbourn, with her charming young daughter and Lieut. Carter, left El Paso about three weeks ago for an overland trip to northern California, the latter having been ordered to Camp Fremont, with the 32nd cavalry, at San Francisco. At the time

of their departure, an existing engagement was denied, though intimates had their happy suspicions upon his arrival north, Lieut. Carter was again detailed back to Fort Bliss, and the newlyweds are to arrive in this city Monday. Lieut. Carter is from a fine New Orleans family and his bride is one of the most popular girls in society here.

Wednesday evening, 5 o'clock, at the home of the pastor, Rev. J. F. Williams, 1095 Magoffin avenue, Pvt. Frank J. Michalak and Miss Marie Pilkington were quietly married, being accompanied by Mrs. Katherine Knowles. The groom, who is in troop A, the Seventh cavalry of the army, was originally from Pankirk, N. J., and his bride comes from Pine Bluff, Arkansas. They are to make their home in the present, at 515 Wyoming street.

Mrs. T. F. Kimball, a well known El Paso matron, who has lived for many years at 1119 Octavia, was quietly married Thursday evening, to P. E. French of Tulsa, Okla. The ceremony took place Thursday morning at the home of Mrs. O. J. Wade of Central Baptist church, officiated at the bride wearing a lovely ivory silk with corsage of Cecil Brunner rosebuds, hyacinths and maiden hair ferns.

Sergt. and Mrs. John H. Trobaugh, who were married at the home of Mr. and Mrs. L. L. Gregory, 3020 Kings highway, Wednesday evening, will start for their future home at Marfa, Texas, Friday morning. Rev. C. H. Mitchell, officiated. The bride being Miss Ella E. Booth.

Dances.

Pythian sisters will give a Colored dance in Cotillion hall, this evening.

University club members and their invited guests are giving a formal hop at the club rooms, on the top floor of the Martin building, this evening. The affair is being given by officers of the 34th, at the Country club, this evening, a large dinner party will take place, several society ladies having been asked an special guests.

Among the local society girls attending the dance given by the officers of the 32d field artillery, at the Country club, Thursday night, were Miss Frances Smith, Miss Helen Stratton, Miss Nellie May Bowen, Miss Elizabeth Stevens and others, though the attendants were for the most part of the military set. Capt. and Mrs. S. V. Constantine and Capt. and Mrs. R. VanDeusen greeted the guests, the affair being stamped by its informality.

The 14th is planning a really big affair for some evening next week, either Tuesday or Thursday.

SEE FRUIT BE- LIEVES IT HAS SAVED THE LIFE

Declares medicine that will do what Tanlac Did for her, deserves praise.

"By the help of Tanlac I have overcome troubles I had begun to fear. I had been suffering from indigestion for eight years," she continued, "and I had gotten to where I couldn't even eat raw eggs or drink sweet milk without suffering afterwards. I have had rheumatism in my right shoulder and arm so bad I could hardly use my hand. I was so nervous and miserable I could hardly sleep at all and could do no work without feeling completely exhausted. I was badly constipated, had such a glimmer before my eyes I could hardly see and would often get so dizzy I had to lie down."

"I took nearly every medicine I ever heard of and tried in vain so long without getting anything to help me that I had begun to think I couldn't get well. Then my nephew from Georgia told me about Tanlac and while I never got much relief from my first bottle, the second got me to eating hearty and sleeping fine. I finished my third bottle with such a big appetite that I could hardly get enough to eat and my stomach trouble and rheumatism are gone. So now I can eat what I want, sleep like a child and am praising Tanlac for my wonderful recovery. I firmly believe it has saved my life and such a medicine is worth having."

Tanlac is sold in El Paso by Kelly Pollard, Co., Inc., and People's Drug Store, under personal direction of a special Tanlac representative.—Adv.
